CROSSWORD ACTIVITY PACK

For this activity we have created a collection of crosswords ranging in difficulty levels.

- Each crossword is made up of blank white squares going horizontally and vertically
- Participants must read the clues and write out the appropriate letters in the space
- Participants can add an extra difficulty level by making it a race to complete and find all of the words
- You can find the answers at the end of this pack to refer to once the Word searches are complete
- For this activity you will need a pen or pencil to outline the words once they are found.
